

# VCS PORTAL

## Experience the comfort of VCS Portal

All information in one tool, available 24/7, anywhere

**VCS Portal is the online web application of Varekamp Coldstores. This powerful tool enables customers and partners all over the world to follow their products through the supply chain.**

### Save time

View your logistic process real-time. Eliminate paperwork and communication. Anticipate on circumstances if necessary.

### Transparency

VCS Portal makes our automated process, supported by wireless barcode scanning, transparent and always up-to-date.

### Secured

With your personal user ID and password you will have authorized access to your own data.

### Logistic information

Zoom, filter and sort your stock on item, shipment and pallet level. Check the ETA of your incoming shipments, view recent and past deliveries and download delivery notes. View all movements within a shipment at a glance.

### Financial information

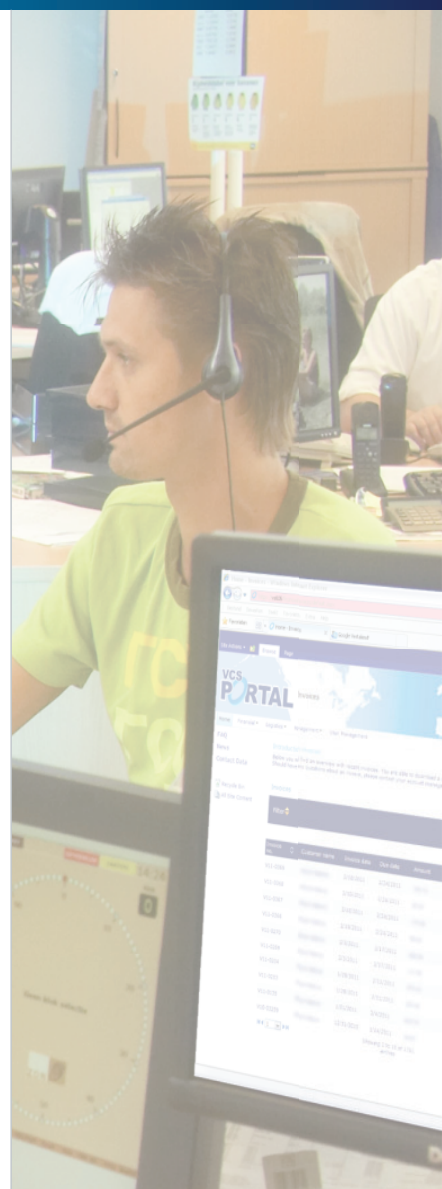

Download invoices or a complete summary of charged services per shipment.

### Management

Find a list of invoices to be paid. An overview of current tariffs is just one click away.

### Experience the comfort of VCS Portal now!
